(USP) of Ship blast

Boat + Turret Combo

Not your typical endless runner

— you're not just dodging obstacles, you're blasting through them.
The mix of action and control.

Combat on Water

Endless runners are often land or air-based

— Shipblast takes it to the sea, adding waves, speed, and water physics into the chaos.

"Shipblast is a fast-paced, sea-faring endless runner where your turret is just as important as your steering. Blast, and upgrade your way through an ever-changing ocean of obstacles!"
